Top emerging IT workplaces

NASSCOM has released a list of 'Top 15 Exciting Emerging Companies to Work for' in the IT-BPO sector in the country. The list is based on the findings of a survey, called Exciting Emerging Companies survey, conducted in partnership with Grow Talent, a strategic HR consultancy firm.

The survey endeavoured to identify the best small-and-medium-sized IT-BPO companies to work for, within the Rs 250 crore and below annual turnover.

The analysis of the top 15 companies reveals several distinguishing factors that makes them an exciting emerging company like training and development, career management, constant and effective communication, documentation, climate surveys, benchmarking and recreational activities.
